

## SPECIAL GUIDELINES FOR VETERINARY ASPECTS

The section of the Checklist entitled "Veterinary Aspects" is comprised of four sections as follows:

### 1. Veterinary Aspects "A"

This page ***must be published verbatim*** in all schedules. It refers to:

- veterinary examinations, horse inspections and passport controls;
- equine influenza vaccination (note: some events take place, either at venues or in countries which impose more stringent equine influenza vaccination requirements than the FEI. Any deviations from the FEI requirements must be clearly indicated as an addition to the text in Veterinary Aspects "A" which must be published verbatim in the schedules
- sampling for prohibited substances;
- Medication Control Programme.

### 2. Veterinary Aspects "B"

This page ***must be fully completed*** and ***returned to the FEI*** with the Draft Schedule.

### 3. Code of Conduct

This page ***must be published*** in all schedules and it is recommended that it also be published in all programmes of international events.

### 4. Order Form for FEI Approved Sampling Kits

The MCP is effected in Groups I and II, by Testing Teams of veterinarians and technicians and by Laboratories all directly instructed by the FEI.

At international events outside the MCP area or at those which are covered by the MCP but at which sampling is required when the Testing Teams are not present, the Veterinary Commission/Delegate will operate in accordance with VR Chapter VI.

To provide for this eventuality, FEI Approved Sampling Kits should be ordered directly on the form provided, from:

LABORATOIRE DES COURSES HIPPIQUES (LCH)  
15 rue de Paradis  
91370 Verrières-le-Buisson  
FRANCE

Fax: (+33) 1 69 75 28 30

**Orders must be received at least two months in advance of the date required.** Any kits ordered, other than by FEI appointed MCP Testing Veterinarians, will be invoiced directly by L.C.H.

NFs are encouraged to stock an adequate number of sampling kits for use by organisers of international events.
